SPRING TERM FUNDRAISING – THANK YOU
STUDENTS' WISH GIFT LIST

Dear Parent/Guardian/Staff/Governor/Friend

We would like to express to you and your family our gratitude and appreciation for the many generous donations received during our recent spring term fundraising activity.

We were certainly heartened to see such support for the Students' Wish Gift List which resulted in all the items on their Wish List being fulfilled. When next you visit the school, please take the opportunity to pop into the new Moor Bucks Café, Northanger and Common Rooms, where you should spot many of the items you have helped not only to purchase but to provide that little extra for student life at the school.

This accomplishment is a tribute to your continued generosity and support to improving the student life at Moor House. On behalf of the students and the PSA we once again express our deepest appreciation in making their wishes a reality.

Thank you very much!

Sincerely yours,

Suzanne Wint-Smith
Chair
