Dear Hilary,

Re: 14-16 Programme

I am writing to congratulate the school on its successful 14-16 link programme with the College this year.

On Wednesday 20 June we very much enjoyed an evening of celebration with your staff, students and their families, and College colleagues were keen to stress the excellent commitment of your students in terms of their attendance, commitment and very good results. Over 95% of the circa 250 school pupils on the 14-16 programme this year achieved their qualification aim.

College staff on the programme value highly the good working relationships with colleagues from the school, and I would like to thank your staff also for their whole hearted commitment throughout the year.

I have attached a list of your successful students and hope their experience this year will provide a springboard for their next steps.

Thank you once again for your support and congratulations to the school.

Kind regards,

Yours sincerely,
