

Moor House School News and Events

The Steel Band Tour

29th - 30th June 2006

On 29th June and 30th June 2006, the Steel Band visited four schools in the local area in order to give a demonstration and workshop to the pupils.

The first venue involved travelling all the way over to Brockham Primary School. We played in our most glamorous venue to date, a large marquee with a PA system! The pupils and staff made us very welcome and photographs were taken and included in the Brockham School newsletter.

After a well-earned rest on the green, the next stop on our tour was St Mary's School, in Oxted. We returned back to Moor House exhausted but very happy that the first day had gone so well.

Friday began with the usual loading up of the drums and we were off to St Catherine's in Bletchingley. This was a lovely school with a super, large hall. We felt like we were playing at Wembley!

The grand tour finished with our last performance at Limpsfield Church of England School.

The Moor House Steel Band was an absolute credit to the school. All the staff at the schools we visited commented on the pupils' talent and the manner in which they conducted themselves. They were fabulous during the workshops and took groups of children from year six down to year two. So it's a big THANK YOU from Mrs Hardman to the pupils in the band!
