Medieval Day

Thursday 18th May 2006

On the 18th May all Key Stage 3 pupils and "have-a-go" staff took part in Medieval History Day. The aim of the day was to experience what life was like in medieval times and to get an opportunity to see and handle authentic medieval artefacts. The school welcomed three outside visitors who helped lead the sessions.

The day started with a splash when 50 knights, monks, ladies-in-waiting, lords, noblewomen and many more medieval characters descended on the school sports hall. A big thank you to all those parents who made, bought or helped to prepare costumes. The pupils looked absolutely fantastic.

Here are a few of the pupils waiting with anticipation to try some of the different weapons!

The students learnt how to play medieval games
3H have a go at bows and arrows

A fabulous Medieval Banquet was put on for the students
