

Moor House School News and Events

The Moonraker Night Challenge

Saturday 28th April 2007

On Saturday the 28th April a group of staff from Moor House School took part in the Moonraker Night Challenge in support of National Childrens Homes, the Hurst Green Scout Hut appeal and Rotary charities.

They called themselves the Merry Moorhousers and were one of forty five teams to join in the moon-lit walk. Starting in the evening the teams followed directions on a course of six miles along footpaths on Limpsfield chart.

They had a great time, especially trying to map read by torchlight, and raised lots of sponsor money.
