

Moor House School News and Events

School Fête

Saturday 16th July 2007

In spite of persistent downpours, the annual Fete was once again a most successful event in both financial as well as social terms, with overall takings being a profit of £4,427 compared to £5,371 last year and £5,254 in 2005.

Although the takings were £944 down, at one stage during a particularly heavy downpour, the financial outlook seemed it might end up being a great deal worse, but attendance levels and monies raised held up well, in spite of the difficult situation.

A great deal of preparatory work goes into organising this annual event, some starting in the Spring term, and without the dedication and loyalty of a hard core of staff, parents, and outsiders, it simply would not be possible to hold the event - so it is to them that Moor House owes a debt of gratitude.

All in all it was a grand effort, the result of which is that the Welfare Fund is now the richer for it, in turn enabling more student extra curricula activities to be undertaken, as well as more facilities to be acquired for them.
