## The opening of the new Adventure Playground

**21st September 2007**

Abbey National PLC's donation of £4,159.60, means that it has now become possible for Moor House School to purchase some much needed playground equipment, along with a further 2,500 from Moor House.

This equipment will greatly enhance the facilities for the students in the playground, and will be ready for use in the new academic year.

None of this would have been possible if it was not for Elaine Taylor, one of our parents. Her actions have made all the staff and students at Moor House School extremely grateful, and we know that this new venture will prove very successful.

Thank you very much Mrs. Taylor and Abbey National!

The pupils of the Moor House special school at Hurst Green now have a Taylor made adventure trail.

Mrs Elaine Taylor of Bexhill, whose son attends Moor House, persuaded her employer Abbey, formerly the Abbey National, to donate over £6,000 to the school to build the adventure trail in the school grounds. The facility was officially opened by school principal Hilary Dobbie. Mrs Taylor received flowers and other gifts to thank her for arranging the finance for the project.
