Hike To The Woods: The 2007 Sponsored Walk

Friday 28th September 2007

On the morning of Friday 28th September 2007 the staff, students and parents set off from Moor House to participate in this years sponsored walk.

The 10 mile walkers consisting of students from K.S.3 and K.S. 4 set off at 9:30 for Godstone. Everyone enjoyed the fresh air and undulating countryside. The sky turned a darker shade of grey as we left our 2nd checkpoint and it began to rain. This did not dampen our spirits and everyone walked through woodland and farmland, some stopping at Godstone Farm to see new born piglets. It was great to see Moor House staff at our 3rd checkpoint, for refreshments were very welcome. We returned to school, tired, more than a little damp and ready for our lunch.

Classes 2MP, 3C, 3B, 3H and 3S left at 10:00 for the open fields around Hurst Green crossing streams and stiles on their way. At the halfway point everyone had some well deserved refreshments

served by our Checkpoint Charlies. After a rest everyone climbed to the highest point of the walk with some lovely views of the Surrey countryside.

On the way back to school some students found time to make friends with local horses. Our 3 milers returned to school to enjoy a well earned barbeque lunch.

The sponsored walk is an ideal opportunity for students, staff, parents, friends and families to socialise, enjoy our beautiful countryside and raise money for the students welfare fund.

Well done to everyone you were brilliant.

Report by Mrs. Vinton
