

Moor House School News and Events

Junior Football Match vs. Sunnydown

15th November 2007

Year 8 and 9 students began their season with a chance to make up for the defeat suffered by the Senior Team with another match against Sunnydown School.

With fantastic support on the sidelines from students and staff, Moor House began the match brightly going close to scoring on a number of occasions before Clark Townley finally scored.

It wasn't long however before the visitors pulled level and for a short period of time it looked like Moor House might again be exposed to the value of their more experienced visitors. With the reintroduction of Ken Suzuki-Layhe, Moor House took control of midfield and consequently the match as Tom Barnard (1), Shaid Coventon-Webb (2) and Clark Townley (2) added the goals to endorse the organisation and skill of the team. Moor House ran out 5-1 winners to the cheers of the touchline.
