Year 10s Trip to St. Mary's College

16th October 2008

On Thursday 16th October 2008 the current Year 10 students and staff visited St Mary's College in Bexhill.

Over the years many of the Moor House Students leaving in Year 11 have gone on to study at St Mary's College.

Once again St Mary's designed a very successful day for our students to experience a taster of life at the college.

We began in the Sixth form common room with a talk followed by a question and answer session. It was explained to our students how St. Mary's operates as a college.

We were then taken on a tour of the college, this was particularly pleasant as most of the 'tour guides' had recently left Moor House and were delighted to show us around.

Bede Solley, Alex Murphy, Luke Pitman, Louis Spenceley and Alice Trudghill took us in small groups to have a look at the facilities such as the classrooms, swimming pool, and a fantastic new build that now houses the Sixth Form classrooms and therapy department.

This was followed by a Sports session in which the students worked along side the St. Mary's students...they had a lot of fun.

Lunch was enjoyed by all in the lovely airy dining hall and it was great to socialise and chat to ex students.

In the afternoon we were taken to the 'girls' house in Bexhill and given a tour , our students were able to get a good feel of how the 'independent living' scheme works.

It was very impressive to see how organised the students were with their washing and cooking rotas.

All in all we had a wonderful day and are very grateful to St. Mary's for being such wonderful hosts.

Report by Mrs. Bridgette Greig

Staff: Mrs. B. Greig, Mr. D. Bowen, Mr. D. Carroll, Ms. K. Horniman, Mrs. D. Carter
