Purple Day 2010

26th March 2010

On Friday March 26th we celebrated Purple Day, a day to raise awareness of epilepsy.

Students (and staff) all took part by 'going purple' for the day in a variety of ways as you can see in the pictures below!

Many thanks to Moor House School Epilepsy Champions Susie Simpson, Jackie McPhail, Karen Golby and Shirley Vinton for organising this event.

You can find out more information on the official Purple Day website, here:
