## Christmas Disco

Monday 13th December 2010

On Monday 13th December Moor House School had the traditional Christmas disco.

After supper, people went upstairs to get changed to be ready for the disco which started at 7.00pm.

Everyone went into Northanger to enjoy the disco.

About halfway through, students went into the Northanger Kitchen, group by group, to get a drink and a snack, before returning to the Northanger Back Room for more fun.

At about 9.30pm it was time for bed, but everyone had enjoyed themselves.
