

# LASER LEARNING AWARDS

## At Bore Place

Bore Place is a working organic dairy farm and environmental education centre. We have the opportunity to offer a number of land-based learning units as part of the LASER Learning Awards. Options include:

### Independent Living – Entry Level 2 Award

The Independent Living qualification is designed to develop life and learning skills. The units we will be able to offer at Bore Place include:

- Accessing the Countryside
- Gardening for Pleasure
- Observing and Encouraging Birds
- Eating a Balanced Diet
- Environmental Issues
- Volunteering

### Learning, Employability, and Progression – Entry Level 3

The Learning, Employability, and Progression qualification offers personal development and vocational taster units such as:

- Garden Horticulture and Maintenance
- Propagation of Plants
- Sowing and Growing Plants
- Using and Maintaining Garden Tools
- Healthy Living
- Preparing and Cooking Fruit and Vegetables
- Getting to know Woodland
- Recognising Trees and Plants and their Importance to Wildlife

### Learning, Employability, and Progression – Level 1 Award

For the Level 1 Award of the Learning, Employability, and Progression suite, Bore Place will be able to offer the following units:

- Cultivating Herbs
- Interaction between Honeybees and Plants
- Understanding Organic Horticulture
- Understanding Sowing and Growing Techniques
- Understanding Ecology and Conservation
