GDPR

On the 25 May 2018 the new EU General Data Protection Regulation (GDPR) came into force bringing with it improvements to Data Protection Regulations. GDPR was enacted into UK Law by the UK Data Protection Act 2018. Under the GDPR organisations have a statutory responsibility to have a Legal Basis when gathering

and processing certain data. More details on this and how your information rights are upheld are provided in our Privacy Notice, which can be viewed on our website at www.childrenshealthsurrey.nhs.uk/about-us/privacy-policy

While we will continue to seek your explicit consent for the treatment of your child/children, your information will be processed under the following GDPR articles:

Article 6 (1) (e)

For the performance of a task carried out in the public interest or in the exercise of official authority.

Article 9(2)(h)

Necessary for the reasons of preventative or occupational medicine, for assessing the working capacity of the employee, medical diagnosis, the provision of health or social care or treatment or management of health or social care systems and services on the basis of Union or Member State law or a contract with a health professional.
