**Dear Parent or Guardian:**

Your child uses a software program called Renaissance at school. This program has a special feature called Home Connect, which your child and you can access outside of school from any computer with an Internet Connection. Home Connect allows you to view information about your child's progress. It also allows you to sign up to receive email notifications after your child completes an activity or assessment at school.

You can log in to Home Connect from any computer with an Internet Connection and compatible browser. For a list of compatible browsers, type the following in any browser: <https://docs.renaissance.com/R37776>
