Dear Parents and Carers,

Research Request – Life Skills in Teenagers

We would like to invite your son or daughter to participate in a new research project, investigating the development of life skills in teenagers. The purpose of this study is to help us understand which factors affect students' progress with life skills in order to help us plan appropriate goals, offer them the best level of support and form realistic expectations for their future independence.

You can find more information about the project and what it involves via the form [here](#), where you can also give your consent for the project. You are welcome to contact the researchers, Debbie Burridge or Lucy Hughes, if you have any queries relating to this research. Their contact details are: burridged@moorhouseschool.co.uk and hughesl@moorhouseschool.co.uk Tel: 01883 719035.

Yours sincerely,

Susan Ebbels

Director of Moor House Research and Training Institute
