Students have already received personalised timetables for their examinations. During this period the normal timetable will be collapsed in order to ensure that students have the access arrangements that they are entitled to and to give staff time to assess coursework. As we get into the exam period, we allow students to wear their own clothes to school, this will be from the 7 May 2024.

Morning exams are scheduled to start at 9am and afternoon exams start at 1pm (1:30 for afternoon History exams). Students must be in school uniform during exams, even if they are senior awards holders, they may change into their own clothes after they finish their exam if they like. Results will be made available to students on the 22 August 2024.

After the half term, students will be partaking in various transition activities in preparation for attending Moor House College in September. As part of their celebration in completing their school years, there will also be various trips and fun activities for the students during the last week in June. This will include Prom (26 June) as well as their Leavers' Day which is on Friday 28 June. More information will be given out about this week at a later date.

If you have any questions or concerns, please do not hesitate to contact me.

Yours sincerely,

Chris Mitchell
Assistant Headteacher - Key Stage 4
