

2P Newsletter: Welcome back!

Summer Term 2024

- **English** - We will start the term by looking at persuasive texts. We will look at the structure, features and language used and will be writing our own. We will then move on to exploring instructions. We will continue to be learning spellings together in class each week and reading with an adult twice a week.
- **Maths** - We will continue to be exploring number, looking at known number facts and learning to apply them to new facts and word problems. We will also be exploring a range of shape and space topics in our maths groups. A weekly homework activity will be sent home on a Wednesday. Please make sure the purple homework book is in school every Wednesday if you would like to complete the activity with your child.
- **Science** - We are going to be exploring Materials and Forces.
- **Music** - We are going to explore pitch and continuing with the recorder skills we have been practising.
- **RE & PSHCE** - Some of us are going to explore the topic of physical health and mental wellbeing and some are going to explore the topic of Puberty in PSHCE. In RE we will explore what makes a good leader and how leaders can set a good example for others to follow.
- **History and Geography** - We will be learning about The Romans and Italy.
- **Food and Art/DT** - We will be looking at 3D modelling and sketching skills. In Food the students will be planting vegetables!
- **Life skills & social skills** - The students will be learning about travel skills and how to have conversations.

Please do email any of the team if you have any questions

Best wishes from the 2P team 😊
