21 September 2023

Dear Parents/Carers

Moor House School Virtual Trek Around the World

You will by now have received information about our annual sponsored walk and I'd like to thank you for sending back your disclaimer forms and setting up your fundraising pages.

You will also have read that this year, the sponsored walk will launch our Moor House Virtual Trek Around the World, to mark DLD Awareness Day.

From September 30th to October 30th we are asking you, your children, your families, friends, and work colleagues to get up and get walking so that we can collectively navigate the circumference of the globe – that's 60, 023.36km, 37,296.79 miles or 87,523,133 steps!

Simply use this easy [form](#) to log your steps throughout the month. Every step taken will be logged and counted towards our goal. You could simply log your Fitbit steps at the end of every day, create a lunchtime walking group with colleagues, go on a 10-mile family hike, or just run up and down the garden.

You do not need to register your sponsored walk steps, they will be automatically counted.

Our dedicated [page](#) will be regularly updated so you can follow our progress on a map, see what countries we have visited and check out the milestones we have reached. We'd also love to add pictures of you taking part, so please feel free to send your walking snaps to fundraising@moorhouseschool.co.uk

We'd also love you to keep sharing your fundraising pages throughout the month, encouraging your contacts to give generously to our students undertaking this enormous challenge!

Please don't hesitate to get in touch if you have any questions and I look forward to seeing you all at the launch walk.

Yours sincerely

Tia Melbourne
