

7th December 2023

Dear Parents and Carers,

Forest School 2023-24 for KS2, Year 7 and Year 8

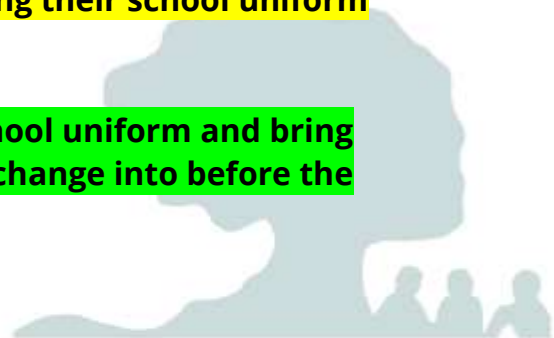

This is just a reminder about Forest School after the Christmas break. This time of year can get very cold and sometimes quite wet. It is really important that we keep warm and dry so the students can truly enjoy their time outside.

Classes will alternate between Forest School and another subject on a half termly or termly basis throughout the academic year. Please refer to the timetable below to know when to provide your child with Forest School kit.

On the day of their session, KS2 (Tuesday) and Y7 (Thursday) students will come to school in their forest school clothes and bring their school uniform and shoes in a bag to change into after the session.

Y8 (Thursday PM) students will come to school in school uniform and bring their forest school clothes and footwear in a bag to change into before the session.

If they do not have their own forest school clothing, they will be provided with school waterproofs to wear over their uniform.
