Dear Parents and Carers,

As we approach the end of the autumn term, it is good to reflect on all that has been achieved since September. We have welcomed thirty-three new families to our community, and it has been particularly gratifying to see how settled all our new students are within our school and college. Everyone has worked hard, and the students have made progress and enjoyed their learning experiences in education, therapy and care time for our residential students.

Since the beginning of December, Moor House School & College has been participating on a daily basis in a range of festive activities. The engagement in, and support for, this has been wonderful. Donations of pyjamas and food for our local food bank have been incredibly generous. The college students have also donated toys which will be taken to a local hospital to spread cheer to those who have to spend their festive season in hospital.

I would like to take this opportunity to thank you for your support and generosity over the past term and to wish you and your families a restful festive season and a happy and healthy 2024.

We look forward to welcoming our students back on 2 January 2024.

Best wishes,

Helen Middleton
