Spring term - Anglo Saxons

- **English** - We will start the term by looking at news reports. We will look at the structure, features and language used and will be writing our own. We will then move on to exploring fact files. We will continue to be learning spellings together in class each week and reading with an adult twice a week.
- **Maths** - We will continue to be exploring number, looking at known number facts and learning to apply them to new facts and word problems. We will also be exploring a range of shape and space topics in our maths groups. A weekly homework activity will be sent home on a Wednesday. Please make sure the purple homework book is in school every Wednesday if you would like to complete the activity with your child.
- **Science** - We are going to be exploring Plants and Seasons.
- **Music** - We are going to explore tempo and rhythm. We will then move on to exploring dynamics music.
- **RE & PSHCE** - We are going to explore the topic of Friendship in PSHCE and the question 'What is important to Muslim families?' in RE.

- **Food and Art/DT** - We will be looking at 3D sculptures and dietary needs.
