Dear Parents and Carers,

Year 8 Art Project

In Art this term, the students will be making sculptures of minibeast creatures. We are using recycled materials to create the structure and form of these sculptures and therefore wondered if you can support them by sending in some materials. Below is a list of suggested materials that would be helpful:

- Cardboard boxes and packaging
- Cardboard tubes (not toilet rolls)
- Plastic bottles
- Plastic packaging
- Old sports balls, such as sponge balls or small tennis ball sized balls
- Newspapers

Please can students bring these in next week if possible, or if not, over the next few weeks (ideally on days they have their Art lessons – 8E Wednesdays/8T Thursdays) and please do ensure items are clean and don't have any sharp edges.

We can provide some of these ourselves in school, but the students will have greater choice of materials and options for their creations if you are able to send some in as well.

Many thanks,

Rachel Enfield and Bridgette Greig
Year 8 Art Teachers
