Dear Parents/Carers,

### **YEAR 10 INTERVIEWS FOR MOOR HOUSE COLLEGE.**

As you know, Moor House College, the Post 16 provision for Moor House School & College, opened in September 2012. Students currently in Year 10 will therefore be able to remain at Moor House beyond year 11, if it is deemed to be an appropriate placement.

Moor House College will offer both residential and day placements. All students will spend some time off site learning at a partner College in addition to their curriculum at Moor House College.

As you are aware, there have been presentations held for parents. At these presentations' information was given about the college and there was the opportunity for parents to ask questions.

Following on from this we are now asking parents to advise us whether or not they would like to consider a place at Moor House College for your son /daughter from September 2025.

**If you do not wish to discuss Moor House College as a possible Post 16 placement please indicate this on the reply slip.**

If you do wish to consider a place we would like to invite your son / daughter to attend an informal interview with Moor House College staff on the **13<sup>th</sup> and 14<sup>th</sup> June 2024**. Please indicate whether you give permission for this on the reply slip attached. Students will have time to prepare for this interview with their current class teams.

Yours sincerely
