Dear Parents and Carers,

Re: Appropriate Non-Uniform Clothing

I hope this letter finds you well. As we strive to maintain a positive and professional atmosphere at Moor House School & College, we would like to remind all students about the importance of dressing appropriately for an educational setting on non-uniform days.

Our goal is to create an environment that fosters learning and prepares students for the future. One aspect of this preparation is instilling a sense of professionalism in our students, and this extends to their choice of clothing.

We kindly request your cooperation in ensuring that students adhere to a smart-casual dress code. Here are some specific guidelines to help clarify our expectations:

Shorts and Skirts Length: Shorts and skirts should not be shorter than mid-upper leg.

Offensive or inappropriate Language/Images: Items of clothing that contain offensive language or images are prohibited at Moor House School & College. Please also avoid clothes that contain words or phrases that are inappropriate in an educational setting.

Cleavage Exposure: Students should avoid clothing that exposes cleavage.

Crop Tops / Exposed Midriff: Please be reminded that crop tops/clothing that exposes the midriff are not suitable for the school environment.

We understand the importance of self-expression, and we appreciate your support in helping students strike a balance between individual style and the appropriate attire for a learning environment.

Your cooperation in reinforcing these expectations with your son/daughter is greatly appreciated. If you have any questions or concerns, please feel free to contact us.

Thank you for your continued support in maintaining a positive and respectful learning environment.

Yours sincerely,

The Assistant Headteachers
