17th October 2024

Dear Parents

KENCH HILL YEAR 8 TRIP Wednesday 26th – Friday 28th March 2025

We are hoping that all Year 8 students will be able to attend a residential visit to the Kench Hill Centre in March next year. This two-night experience is intended to play an integral part in the Year 8 curriculum of Moor House School and acts as a valuable stepping stone in the development of independence.

Kench Hill is a large, historic building set in beautiful grounds in Tenterden, Kent. It is about 40 miles from Oxted, close to the Kent coast. Weather permitting, students will have an opportunity to visit local places of interest, such as Rye Harbour.

The trip aims to provide students with opportunities to explore and appreciate local geography and history. They will spend much of the time out of doors, engaging with nature. Typical activities include: growing or harvesting food in the allotments, feeding the chickens, caring for the ponies and going for a river walk. There will also be activities designed to develop social and team-work skills such as raft and den building.

Moor House School staff will accompany the children throughout the trip. The cost of the trip will be £220 per student. However, as your child is in receipt of Pupil Premium, this trip will be paid for using this fund.

We would very much like your child to take part in this activity. If you are in agreement with this, would you kindly sign the attached form and return this to the school.

Further information including kit lists, activities and correspondence will be sent out in due course.

Yours sincerely,

Chloe Burchett, Caroline Beverley and the Year 8 Teams.
