

MHS&C - Permission to share mobile details with your Class Rep in order to create NEW Class WhatsApp group for 2024- 2025

Dear Moor House School & College Parents, Guardians and Carers

We all have busy lives with children at other schools and sometimes we forget key events. One way of supporting is through Class WhatsApp groups for each class (or whole Year Group for Yrs 10, 11 and College).

These groups can be invaluable as reminders for swimming kit, day trips, return of letters, non-uniform days, workshops, etc. If you are unsure you can also ask on the group. Please Note: The Class WhatsApp group is for reminders only and should not be used as a 'chat' group or to send memes etc, otherwise important information gets missed. Support/chat groups are great but maybe create a sub-group for this instead?

Each year, in September/October a NEW Class WhatsApp Group should be created. So we **need your permission** again to share your mobile number and email with the Class Rep so **please can ALL parents and carers who want to be part of these groups fill in the form on the Google link below:**

<https://forms.gle/2JzWVrF97YuN9p7a6>

This is where the **Class Rep** comes in. Please volunteer to be a Class Rep via the Google link above. The Class Rep will pass on reminders etc and may sometimes be able to liaise with staff if there is a **general** question/query. However, please remember that if you have a concern or issue that relates to your child, you should make contact directly with the class teacher or Assistant Head Teacher for your child's phase and not discuss in the Class WhatsApp group. Your Class Rep is not expected to deal with those types of issues. You will have received contact details for the class team at the end of last academic year - if you would like this leaflet resent, please email info@moorhouseschool.co.uk and this will be done.

I know there are already Class WhatsApp groups started – which is fantastic. Please ensure you fill in the form above so we have up-to-date and current 'named' Class Reps to share with the school. There will also be a 2024-2025 Class Reps WhatsApp group for just the Class Reps where I will share reminder prompts that can be then be copied and shared in your class group.

Thank you,

Chair of Moor House Family Association (formerly known as the PSA)
